

Giving Hope, Saving Lives

Saving lives through
bone marrow
blood & organ
donation

- Every 20 minutes someone is diagnosed with a blood cancer
- About 2000 people a year in the UK need a lifesaving stem cell (bone marrow) transplant from an unrelated donor

ACLT Bun & Cheese Get-together Fundraising to find lifesaving stem cell, blood & organ donors for patients' like 5 year old Valerie

Valerie was diagnosed with CDG (Chronic Granulomatous Disorder) a rare and life-threatening genetic disorder which leaves children unable to fight bacterial and fungal infections. Valerie needs a lifesaving stem cell (bone marrow) transplant.
